Thank you for your interest in MITCH Charter School, a K-5 public school sponsored by the Tigard-Tualatin School District.

In addition to submitting this form, a completed application includes a school tour, as well as proof of residence and verification of birth date for Kindergarten students, which can be provided at the tour. When a student is offered a seat, parents have 24 hours to confirm acceptance by phone or email. Failure to confirm acceptance within 24 hours shall be deemed a decision by parents to not enroll the student for the 2018-19 school year, and the school will contact the first student on the waiting list.

Please contact us with any questions. We look forward to meeting you, and to the privilege of teaching your child.

I understand the curriculum taught at MITCH Charter School is a rigorous program of study in language arts, literature, history, geography, mathematics, science, music, visual arts, and P.E. I understand students are assigned homework every night beginning in Kindergarten. I understand MITCH Charter School does not provide the following services: a school nurse nor a resource room for special needs.

To the best of my knowledge, the information provided is correct and complete.
