

**MITCH Charter School**  
**Personal Electronic Devices and Social Media**

Students' electronic devices including and not limited to cell phones, iPods, MP3 players, hand held gaming systems, hand held readers, smart watches, or any other device that allows internet access should never be seen, heard, or used at school unless an IEP stipulates. Students should keep their devices in their backpacks and turned off.

If a student is utilizing a device at school at any time, the device will be confiscated, and the student's parent will need to come to the school office to collect the device. MITCH Charter School will not be liable for personal electronic devices brought to school or school-sponsored activities. The school is not responsible for any electronic device that is lost, mislaid, stolen, damaged or destroyed.

Students may not access social media platforms using the school's equipment, while on school property or at school-sponsored activities unless the access is approved by a teacher or administrator. The school will not be liable for information or comments posted by students on social media platforms when the student is not engaged in school activities and not using school equipment.
